

Be smart. Know all of your options before deciding to move out of your home...

Getting around in your home becomes more risky with age. If you're having trouble, you may be considering a change in living arrangements. A recent AARP study says 89% of older adults would prefer to stay in their own homes, rather than move into assisted living or a relatives' home. We can help. Our job is to evaluate your home and educate you, so you can make informed decisions.

Age-in-MY-place, LLC helps to mitigate household dangers before they become a threat to you. We offer simple solutions that make it possible for you to stay at home and enjoy independent, safe living. We help you keep what you've worked a lifetime to build **for a fraction of the cost** of assisted living. Home *is* where the heart is. It's where you are the most comfortable and where you belong.
